

CAMP SMALL

URBAN WOOD RECYCLING

Fall 2022

treebaltimore.org/programs/campsmall
campsmall@baltimorecity.gov

Managed by Recreation and Parks' Division of Forestry, Camp Small is the collection facility for City trees that have been removed due to decline or storm damage. The 5 acre site is located in the Jones Falls Valley just north of Cold Spring Lane. The urban wood recycling program at Camp Small is a recipient of the City's Innovation Fund, which supports its efforts to create products and capture value from the materials collected.

*** Price for materials/products used for Public Projects is reduced. See pricing in green. ***

	Hardwood Mulch	Coming Soon: Fall 2023 Locally sourced PREMIUM double shredded hardwood	\$20.00 per cubic Yard *\$15.00*
